

# AHIMA's 75th National Convention and Exhibit: Celebrating 75 Years of Leadership, Innovation, and Quality Information

Save to myBoK

More than 3,000 HIM professionals gathered in Minneapolis in October to celebrate AHIMA's 75th anniversary, enhance their knowledge and professional skills, and catch a glimpse of what the future holds for the Association and HIM. Dynamic speakers, informative educational sessions, and plenty of networking opportunities made this a Convention to remember. Here are some of the highlights.
