Q: My facility wants to adopt or modify an existing abbreviation list rather than develop its own. Where can I locate such a list?

Q: How long is an authorization to release information valid?

Q: Where can I find a medical record audit tool for physician practices?

Q: When a patient who was assaulted names her assailant, should the nurse or physician include the assailant's name in the medical record?

Q: Is it acceptable to use "canned" reports in transcription?

Q: Where can I find a benchmark for coding accuracy?
