

On the Line: Professional Practice Solutions (7/00)

Save to myBoK

by Gwen Hughes, RHIA

Q: My state's laws say that health information may be made available to researchers who provide written evidence of approval of their projects by an institutional review board (IRB). [What is an IRB?](#)

Q: [Where should informed consent forms for research and research-related access to patient records be filed?](#)

Q: [Should my HIM department accept a subpoena from another state?](#)

Q: [Where I can find sample policies and procedures for confidentiality, security, and disclosure of patient health information?](#)

Q: [What is a good source for looking up Internet-related terms?](#)

Gwen Hughes is an HIM practice manager at AHIMA. She can be reached at ghughes@ahima.org.
